

## 2 Organisation, Safety Accountability and Responsibilities

### 2.1 Safety accountability of the Accountable Manager

*Regulation reference: ORO.GEN.210(a)*

The Accountable Manager (AM) is the company's General Manager and has corporate overall authority for ensuring that all operations and maintenance activities can be financed and carried out to the standard required by the Authority. AM bears also the safety accountability which means that he or she is ultimately accountable for safety in the Company.

### 2.2 Organisational structure

#### 2.2.1 Locations and contact details

The company's main office is located at Brannhaugen, Frosta. The facilities include office accommodation for management personnel, flight planning, storage space and hangar space for helicopters. The facility is equipped with PCs, telephone, copier/scanner and broadband internet connection.
